# Sponsor a Library Chair

## Sponsor a Library Chair

Have you ever considered how to make a contribution to the learning experience of others? And at the same time make a lasting dedication to a family member or friend?

Sponsoring a Library chair is one way that you can make a tangible contribution to enhancing the academic environment of current and future Leicester students.

The David Wilson Library, an iconic building at the heart of the campus, combines stunning contemporary design with state of the art technology to provide an inspirational place to study and a home for our extensive collections.

We invite you to play a part in this vision.

For a gift of £115, you can sponsor a reader chair that will be inscribed with text requested by you. Your dedication could be the name of a family member, friend or colleague – or you might want to commemorate a special anniversary or event.

Many thousands of current and future students will benefit from your chair in our exciting new library.

If you would like to support the project but can only donate a small amount this will be equally welcome and chairs purchased from these donations will bear a 'Friends of the University Library' message.

### Making the most of your gift

If you pay UK tax, the University is generally able to reclaim the tax paid on your donation, increasing the value of your gift at no cost to yourself. Please complete the Gift Aid Declaration opposite.

We have chosen the classic Vitra Visavis 2 chair for our reading spaces. As well as being extremely comfortable and durable, the chair complements the modern classic interior design of the Library.
